Expedited Review Process

Submit Filing to Normal Queue

May Submit Filing in Normal Queue and Stay on Waitlist

n Waltiist

Submit Expedited Fees 3 Business Days

Request Expedited Review

Approved

- Filer sends request email to expedited@insurancecompact.org with name & CoCode; TOI; number and type of forms; list of Uniform Standards used
- Compact Office notifies filer of status: approved, not eligible or waitlisted

Submit Filing and Satisfy Intake Objections 3 business days**

 If approved - Filer submits product filing, pays applicable fees, and satisfies intake objections fees within 3 business days

Primary Review

5 business days*

- Primary Reviewer performs review
- If no objections, it will be sent for actuarial review

Respond to Objections

3 business days

• If objections are received, Filer has 3 business days to submit responses

Review Objections

2 business days

- Reviewer will review objections within 2 business days
- If additional objections are sent, the same time frame applies. Otherwise filing will be sent for secondary review

Actuarial Review

5 business days

- Actuary performs review
- If no objections, filing will be sent for secondary review

Respond to Objections

3 business days

• If objections are received, Filer has 3 business days to submit responses

Steps shaded light blue are only applicable for filings requiring actuarial review

- * While this timeline is our goal, actual times can vary based on the complexity of the filing
- ** Failure of the filer to respond to objections within three (3) business days will extend the time for the Insurance Compact Office to review and respond to the company's response to ten (10) business days

Review Objections 2 business days

- Actuary will review objections within 2 business days
 - If additional objections are sent, the same time frame applies. Otherwise filing will be sent for secondary review

Secondary Review and Approval

• Filing will be marked as approved once secondary review is complete
