

\$1.5 Billion. That's how much the life insurance industry pays out. Every day.

Surprised? Don't be. It's a big reason why 75 million American families turn to the life insurance industry to protect their financial future.

Life insurance. Annuities. Long-term care and disability income insurance. 2 out of 3 families put their trust in them every day. Because they provide peace of mind, long-term savings, and a guarantee of lifetime income when it's time to retire.
