

Financial Security *for life*

Americans are living longer and financial security is a challenge for many. Millions of Americans depend on life insurers. We provide a safety net for all stages of life, **helping people take care of what matters most.**

SUPPLEMENTAL BENEFITS

fill gaps and cover dental and vision, when health plans don't.

LONG-TERM CARE AND DISABILITY INCOME INSURANCE

is a saving grace when work is no longer possible.

LIFE INSURANCE

safeguards families, helping them take care of children, keep homes, and pay for college when a parent is lost.

RETIREMENT SAVINGS AND RETIREMENT INCOME

concerns are real; people are living longer and pensions are less common. Life insurers offer guaranteed income for life through annuities.

PAID FAMILY MEDICAL LEAVE

allows parents time to bond with new babies.

The life insurance industry paid out

\$2.1 BILLION EVERY DAY

in 2018. Social Security paid out

\$2.7 BILLION EVERY DAY

We provide solutions. Our guaranteed products help people live and retire with financial peace of mind.
Proven. Accessible. Affordable. A bedrock for financial protection and security.
