

## **Legislative & Regulation Analyst**

ACLI is seeking a Legislative & Regulatory Analyst to join the Taxes & Retirement Security department. This individual will perform research and analysis on tax and retirement legislative, regulatory, and policy issues and provide support to department staff with meeting preparation, correspondence and website management.

The ideal candidate will have a Bachelor's degree and a minimum of 3-5 years of legislative or legal research experience. Finance or Paralegal certificate a plus. Candidate must have strong writing and proofreading skills and considerable skill in a PC environment working with website and familiarity with website management. Also requires excellent communication, interpersonal and organizational skills, initiative and time management. E-mail your resume and salary requirements to:
