

## **Federal Lobbyist**

We are currently seeking an assertive professional to join our team as Vice President, Financial Income Security. Responsibilities include: 1) be the department representative and lobby Congress and the Administration on issues (including long-term care, disability income and supplemental insurance) before the Senate Finance and House Ways and Means Committees; 2) coordinate lobbying activities and assist in policy development in concert with ACLI policy staff; 3) give technical, editorial and/or creative support in the development of testimony, policy position and lobbying documents to be used in connection with the ACLI's legislative priorities.

Bachelor's degree and a minimum of five to seven years on Capitol Hill or lobbying experience with relevant House and Senate Committees required. Understanding of financial income security products and thorough knowledge of Treasury agency rules, practices and procedures also required. Graduate degree preferred. Demonstrated skill in lobbying and government relations. Strong analytical and communication abilities. Considerable ability to transform issues and arguments into accurate written documents and presentations that are understandable and persuasive. Must be able to establish and maintain good working relationships.
