

Legislative Director

The ACLI is searching for a dynamic individual to join its team in State Relations. This person will assume responsibility for all legislative, regulatory and political matters affecting member companies and their products, services and operations in assigned states. In carrying out these responsibilities, achieve recognition by public policymakers as a preeminent advocate for the interests of life insurers.

Bachelors' degree in political science, business, communications or related field. Two to five years of legislative, regulatory and/or lobbying experience and knowledge and understanding of state government required. Knowledge of and experience in life insurance or financial services industry preferred. Demonstrated ability to manage legislative and regulatory matters in states with a substantial life insurance market. E-mail resume, references and salary requirements to:

American Council of Life Insurers
