

Steps to Access CLEAR Health Pass (with Images)

1. Go to the App store and download CLEAR Health Pass OR Click on the Compliance and Legal CLEAR Pass Link and it will prompt you to the App Store.
2. You will be prompted to “Create your Health Pass”. Click the “Get Started” button

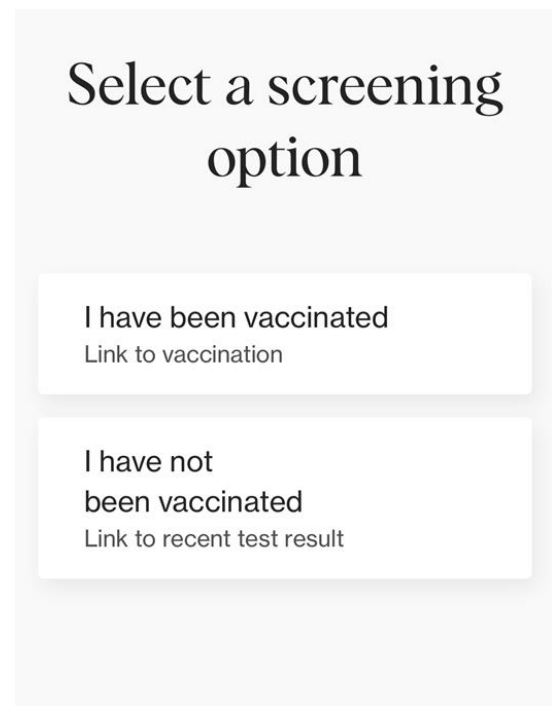

3. You will then be prompted to Select whether you have an event code. You will Select the “>” next to Have a Code?

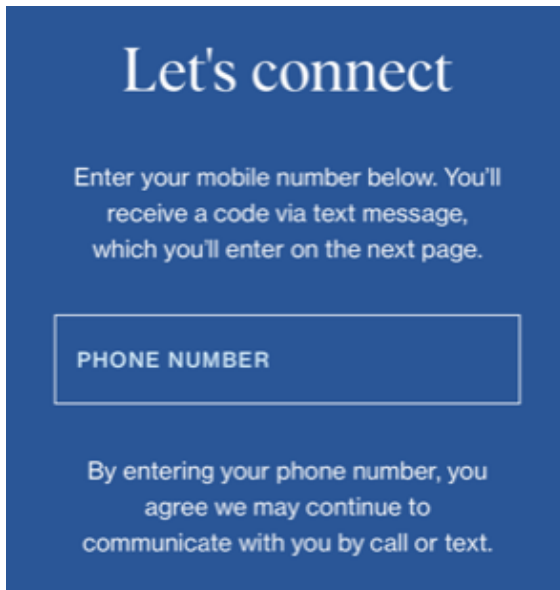

4. When promoted, you will type in **EFATTENDEE425** under “Organization Code”.

5. After entering the code you will hit Next and then be prompted to this page.
6. Here you can either select “Enroll or verify in CLEAR” OR “Add COVID-19 vaccination”. If you select “Enroll”, because you have never used CLEAR before, you will be prompted to the next page after clicking “Open Health Pass”. If you already have a CLEAR account you can select “Add COVID-19 vaccination” where you can upload your vaccination card.

7. If you have never used CLEAR before, you will be prompted to sign up using your email account and phone number.

9. Once your account is verified, you will be prompted to upload a photo of your ID, usually a passport or any photo ID, and a picture of your face.

2-Step Enrollment

1
Scan your ID

2
Secure face capture

10. Make sure to be in good lighting for the CLEAR App to be able to capture your photo ID.

Get your ID ready

We recommend a photo ID card to enroll.

QUICK TIPS

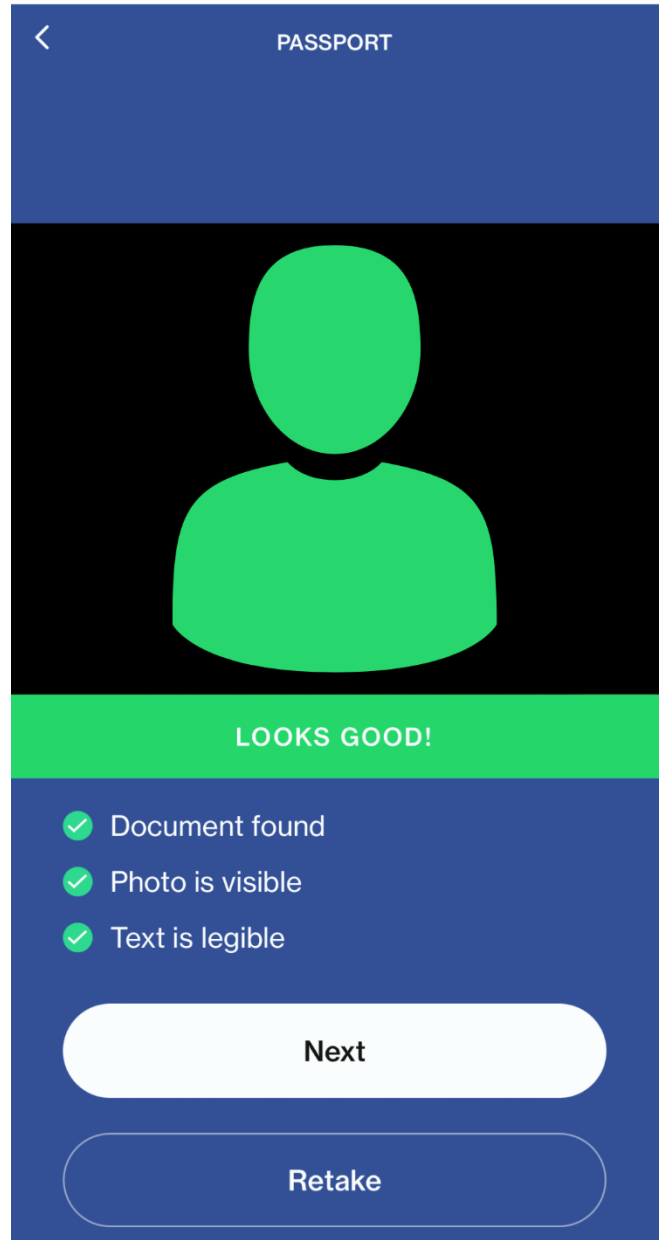

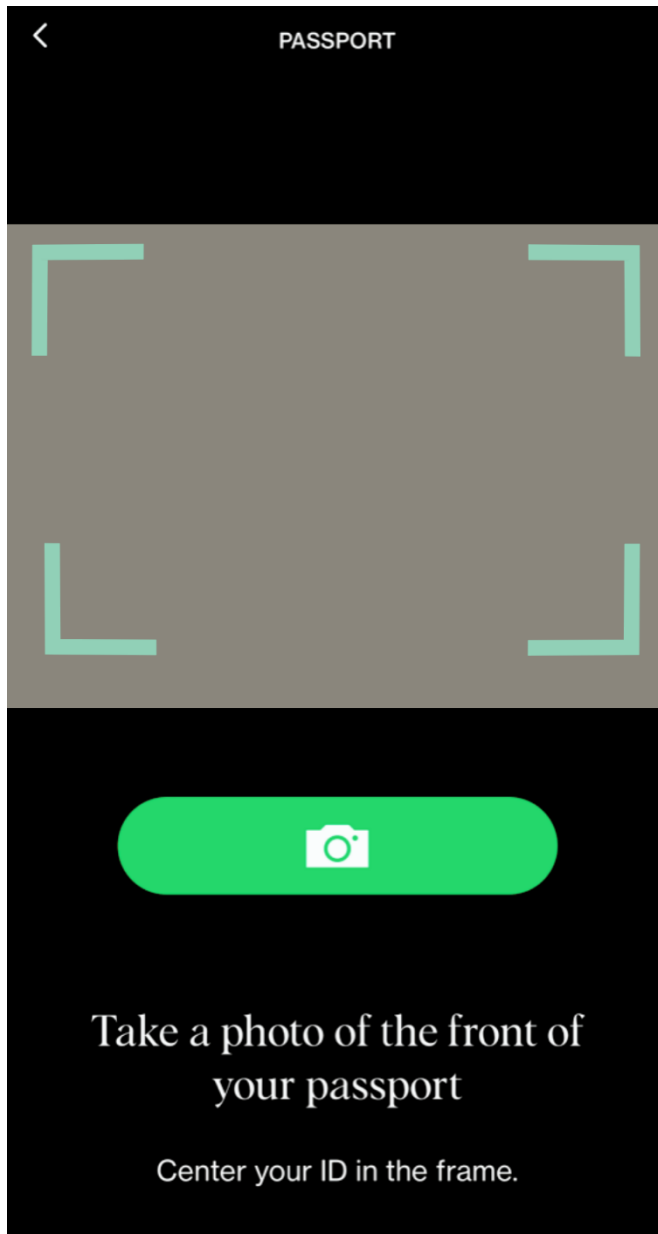

Capture ID in indirect light to reduce glare

Ensure all ID edges are in the frame

11. Take a photo of your photo ID card, here in this example a passport was selected to be uploaded.

12. Please keep your camera in front of your face for the app to take your profile photo.

Secure face capture

We compare your face to your ID and use it to make sure it's you in the future.

QUICK TIPS

-  Rotate your face towards the light
-  Hold your phone at eye level
-  Remove your glasses

14. Please enter the address that is listed on the ID.

The screenshot shows a dark blue background with the title "Add Address." in white. Below the title is a subtitle: "Since your ID doesn't include your address, please enter it here." The form consists of several stacked input fields: "ADDRESS 1", "ADDRESS 2", "CITY", "STATE/PROVINCE", "COUNTRY CODE" (with "United States of America" selected), and "ZIP/POSTAL CODE". At the bottom is a rounded "Next" button.

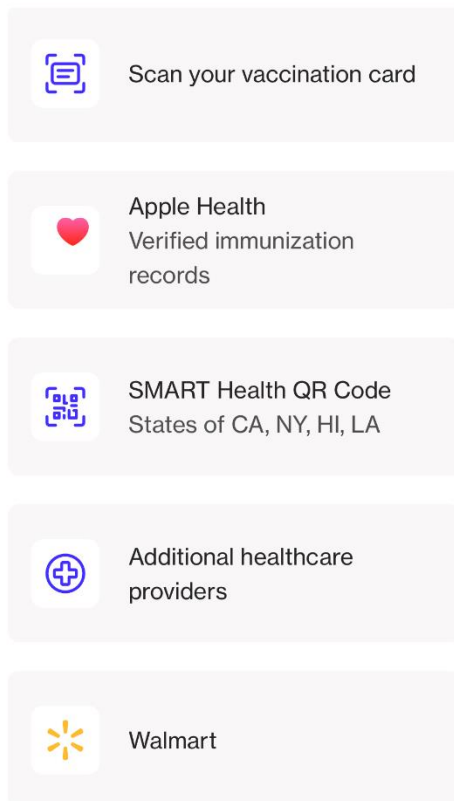

15. Now please create a password for your account.

The screenshot shows a dark blue background with the title "Choose a password" in white. Below the title is a subtitle: "We'll ask for your password when you make changes to your membership." The form features a "PASSWORD" input field with a "Show" button to its right. Below the input field is a password requirement notice: "Passwords must be at least 8 characters, and have a mix of numbers, uppercase and lowercase letters, and at least one of these special characters: !@%*_+${}$~</math>". At the bottom is a rounded "Next" button.

16. Now that you have added all of your photo information and have created your profile, the app will bring you back to the Entry Requirements page where you will upload your COVID-19 vaccination.

Add your COVID-19 vaccination

17. Next you will be presented with different options to upload your COVID-19 vaccination.

18. The next steps show you how to scan your vaccination card.

Enter your vaccination info

MANUFACTURER Pfizer-BioNTech

1st dose

DATE ADMINISTERED
VACCINATION PROVIDER

2nd dose

DATE ADMINISTERED
VACCINATION PROVIDER
