ACLI is continuing to monitor the situation related to [Coronavirus \(COVID-19\)](#) to ensure the safety and security of attendees at ACLI conferences. We are working closely with the Ritz-Carlton, Dove Mountain to ensure that best practices are in place throughout every step of our meeting. The health and safety guidelines outlined here represent a living document that will continue to evolve as we incorporate features that will further enhance the on-site experience for everyone in attendance and serve as an example of our commitment to health and safety.

ACLI's healthy and safety protocol is to follow CDC guidelines as well as state, local and hotel/host location guidelines.

As of **September 15, 2021**, CONFERENCE GUIDELINES FOR ATTENDEES ARE AS FOLLOWS*:

- ACLI will be using **Health Pass by CLEAR** to monitor the proof of vaccination/negative COVID-19 test requirement. Please refer to the **CLEAR APP Information** section below for further information.
- Attendees who are *not fully vaccinated* must continue to wear face coverings and practice social distancing.
- All attendees are encouraged to wear a mask indoors unless actively eating or drinking.
- Attendees are advised to stay home if you are feeling unwell or stay in your hotel room should you experience any symptoms after your arrival in Arizona.
