

Attorney

The American Council of Life Insurers seeks an attorney to manage policy development and implementation of assigned legislative and regulatory issues affecting the life insurance industry. Position also staffs assigned committees/task forces, provides technical and legal support to ACLI staff and member companies. Assists in preparing testimony and draft comments regarding legislative/regulatory proposals.

The position requires a Law Degree and two to six years of relevant experience. Familiarity with a wide range of insurance company products is helpful along with knowledge of state and federal legislative and regulatory processes. Requires strong analytical ability; excellent oral and written communication; and ability to lead and participate in teams. The ACLI offers a competitive compensation and benefits package. E-mail resume and salary requirements to:
